## Customer Reviews

In another collaborative effort from authors Steve Scott and Rebecca Livermore, "LEVEL UP YOUR DAY" focuses on 6 key areas of your life in order to build up a daily routine that empowers your activities, enhances your thinking, and boosts energy levels to ensure you get the most out of your day/week. From building a morning routine to decluttering your house, you will feel both energized and refreshed once you implement the strategies introduced in this book. By implementing the 80/20 [Pareto] Principle, a strategy for focusing 20% of effort to achieve 80% results, Steve and Rebecca have provided readers with a book that builds a solid daily routine using real world techniques and strategies that are both motivating and empowering; you will be able to get the results you have always wanted with this system where most systems have failed. Here is a brief breakdown of the key points you can expect to find in each section.

1. Energy (sleep and renewal activities) In this section some key components you learn about are:
  1. the importance of sleep and energy renewal, as well as circadian rhythms;
  2. strategies for getting a good night's sleep; and
  3. how to feel energized throughout the day.
- Eating (general nutrition and meal planning) In this section some key components you learn about are:
  1. The importance of planning out your meals;
  2. Easy and fast recipe suggestions for breakfast, lunch and dinner;
  3. Steps to maximize your eating habits.
- Exercise (participating in a regular exercise program and moving around throughout the day) In this section some key components you learn about are:
  1. Why exercise is challenging;
  - 2.
