# No-Time Russian (audio CDs) (Russian Edition)

## Synopsis

This unusual method uses no text or printed materials. You learn by listening to audio recordings while driving, cooking, gardening, walking, or doing some other monotonous task. You give only time that you are already devoting to something else you are doing. That's why it requires "no time"! This course was developed by A. E. Van Vogt, the well-known writer and language expert. The course is introductory-level, and helps you master the basics of the language for business or travel; yet the grammar and sentences are contemporary and not simplistic. There is extensive vocabulary and conversation practice, plus an explanation of the language's structure and grammar. The course consists of 2 hours each of conversation and speaking, plus 4 hours of vocabulary. In just 40 minutes a day for one month, you can learn a 2-hour segment. Before you know it, you will begin acquiring vocabulary and comprehend sentence structure by hearing it only ... and it does work! Reissued in 2005 on 6 CDs (6 hours of recording). Product No. AFN180D.
