a new angry alex LETS GET IT my reaction. i love this series, its funny and well written, i would defenetly recomend getting the other 3 first,my idea is alex gets nicer to herobrine while steve gets

madder and madder and you can only imagin what happens next :D

Another great one by Crafty Nichole! I really enjoy all her books, but especially the Angry Alex series. I found Book 1 while browsing the store and was hooked. I expected Angry Alex to just be one book like many of her others and so was pleasantly surprised when 2, 3, and 4 came out. They all are super funny and well written but this one has to be my favorite! There are many Herobrine books out there (and also Herobrine Books books;-5) but Crafty Nichole does an exceptional job of portraying Herobrine as a nasty fellow who the unlucky Alex and Steve must drive out of their mines while also settling their many arguments.

this book was so interesting i am so glad i read it. i saw the first book looking for more books then i saw angry alex and it looked so good i just had to read it. this book has to be my favorite out of them all. most books do a pretty good impression of Herobrine but this books impression os awesome. i couldn't stop reading except for when i had to go to bed. please write more books in this series. i like your other books but this is my favorite out of them all. write more awesome books please. bys

i was thinking that alex and steve figured out herobrine has a disry and they think herobrine has a weakness that he wrote in his diary so they think of plans to steal the diary! that might be a bit interesting. it might not be the besy plan ever but it probably is going to be cool. i hope you can think about it.P.S this is my moms acount.P.P.S i like these books a lot.

You only have one awesome reviewer on your list... your books are so great, and you deserve more on that list. So I will give you another (I. e. ME)! I really do love this series, and I feel like it just got better... with the herobrine everything... And at the end when he is sleeping in her room... now book 5 will be interesting!Forget Steve, this guy is a nightmare for Alex (which makes him amazing entertainment for me!)

I love your books. But... Since Alex loves cookies so much, if you add another book I got a suggestion. Alex finds more annoyingness. Captain Cookie. Never heard of him? Then watch PopularMMOs Captain Cookie or Custom Mod Challenge on YouTube.-Unikitty159

Okay, First, I think Alex should have a wolf it just fits her. Second, she needs to overcome her fear of the nether.I hope you consider this. I also have an idea for a future book, DIARY OF A SHY

OCELOT. I loved the book and want more of Alex. Sincerely: Your number one fan :) I fail at life quote Alex

I have read this book like 100 times and I still love it. It's so cool that the author chose to make Alex the main character. It's awesome that you made the 4 book end with a awesome cliffhanger with herobrine, Steve, Alex while they try to get rid of him and Alex blaming Steve. This book is the best!!
