Customer Reviews

love the CONTENT (five stars) already, even though I should have waited until 2017 to open it. But, it has that cheap plastic LOOK (two stars) and glue-edge binding on thin paper --unlike the DOG Calendar with the comparatively classy clear-plastic stand and high-quality paper. The content deserves better presentation, but it gets 4 stars overall due to substance-over-form considerations.

Of course I haven't used it yet, but I've had an earlier page-a-day calendar from Gretchen Rubin and I loved it. I'm glad this is available and I look forward to using it for "A Happier 2017."

I love Gretchen Rubin's books and am looking forward to reading her writings every day in 2017!

Will be useful for 2017; have already read through it. Excellent.

Bought this for the wife it makes her smile each day
