Customer Reviews

Once again, Steve is back and as ignorant as ever. This is about Steve and this time, he is in a jungle. I liked it since it was funny. He tames an ocelot. He encounters spiders. And... There's still more! Buy this book. Enjoy!!! ^f

I love this book. Please read it. It is the most EPIC story in the universe. I would rate this infinite stars if I could. It rocked when the main character transported through the enchanting table. I have read all the books. I even got the the cat house for seven dollars. If you love minecraft you will love this book. I cannot wait until the next book comes out.

These books are so much fun! What an interesting perspective and fun way to get Minecraft away from the computer screen! We love reading these books in our house and can't wait for the next one to be released!

My 7 year old son is obsessed with minecraft. We read 1 day a night. The book is age appropriate, moves quickly, & isn't too tedious to read for me. The fact that I'm ok reading a few pages a night without wanting to pull my hair out makes it 5 stars.

i recommend this book because it is funny, creative, and perfect for a cat and minecraft lover!there is only one part that is (sort of) inapropriate (i dont think i spelled that right).i had a lot of fun reading it, so i totally recommend this book for the whole family!

Steve and Newton explore the jungle together with the scary mobs on an awesome and exciting adventure for cocoa beans to make cookies.

first I'm Allison's daughter CJ. second LOVE THIS SERIES! ohmigosh it is so so good! you have got to read books 1,2,and3 hope they make a book 5! or have they? IDK! All i know is i will fie if they dont!

The books a great book to read filled with new things Steve finds and dicovers.I would have rated 2 stars for the timing the timing for the books to come out is horrible.I writing this one day before book 5 comes out the suspense is killing me!!!!!! but other wise the books are wonderful!! but hurry up but they are so good especially this one the first one was horrible.But your books are the best!!!!!!!
