Customer Reviews

The only thing I knew about Mr. Ziglar before buying this audio cd was that he was a Christian named Zig. I came to find out more about this great speaker through about 2 hours of solid commentary. He speaks universal truths and gives real life examples to convince you that there is no doubt that what he is saying is real deal. If the more you give, the more you get philosophy is not one you are sold out on yet, Mr. Zig Ziglar will clear up any confusion with his memorable tales. Big ups!

I appreciate the real life experiences used in his story. I love his voice. I listen to this every trip over three hours! Well worth the investment - it will change your life.

Extremely motivating. I would highly recommend this life changing piece by Zig Ziglar!

Listening to Zig Ziglar is like drinking from a fountain of motivation. If you need a hand up, or an ear full of encouragement. . . listen to Zig Ziglar. His easy going story telling style touches a heart before it moulds a mind. William Teh Investor | Author | Entrepreneur TTTrends Investments

Most of success in life generally is how you perceive the world, and then respond to it, not necessarily external circumstances. Zig does a wonderful job of showing that your self-image and paradigm of yourself makes a critical difference in how your life develops.

This is Zig at his best. Listen to it several times to pick up on all of the great stories and advice. The CD is packed with uplifting messages!

ZIGLAR IS THE BEST!!! Listening to Zig 25 years ago changed my life! Now, I want my grandchildren to hear his new CD's.

If you enjoy being motivated then Zig is for you. Good ole country boy that is an excellent speaker. Get pumped on your way to work!
