# Life In Prison

## Synopsis

"The true stories I've written in this book are my living nightmares. My greatest hope is that the lessons the stories offer will help you make better choices than I did." Stanley "Tookie" Williams, cofounder of the notorious Crips gang, is a death-row inmate. But in his two decades of incarceration, Williams has also become a respected author and activist whose dedication to ending gang warfare in the lives of inner-city children has earned him a 2001 Nobel Peace Prize nomination. In this award-winning book which has drawn praise from educators, government leaders, and families alike Williams describes the brutal reality of being an inmate. He debunks myths of prisons as "gladiator schools" with blunt, riveting stories of overwhelming homesickness, the terror of solitary confinement, and the humiliation of strip-searches. Williams' words are a frank challenge to adolescent readers to educate themselves, make intelligent decisions, and above all, not to follow in his footsteps.

## Book Information

Lexile Measure: 1020L (What's this?)

Paperback: 80 pages

Publisher: Chronicle Books; Reprint edition (February 1, 2001)

Language: English

ISBN-10: 1587170949

ISBN-13: 978-1587170942

Product Dimensions: 6 x 0.2 x 9 inches

Shipping Weight: 2.4 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (101 customer reviews)

Age Range: 10 - 13 years

Grade Level: Preschool - 7

## Customer Reviews

In this book, Life In Prison, Stanley "Tookie" Williams cofounder of the crips gang and Death Row inmate for sixteen years, offers a testimony that ends all myths about prison life in this book. In straightforward, honest prose, Williams out about what it's really like in prison-- and challenges all

young people to choose the right path. Told in first person, this realistic picture of prison life is meant by the author to serve as a cautionary message for youngsters who may be misled into thinking, like he did, that prisons are so called 'gladiator', a cool and manly place to be. He does a magnificent job in describing his caged feelings, the danger, humiliations, and crime of being held in prison. Stanley Williams, convicted of four murders, does not deserve to be compared to Nelson Mandela, in my opinion for being arrested for almost no reason. While Williams says he's sorry for dropping out of school, and so on.. he never once said sorry about killing four people. I feel that Life In Prison is an outstanding bibliography of the life of Stanley Williams. I also think this book's theme is that you should watch who you hang around, and always think about what you're doing and where it could lead you to in the near future. Read Life In Prison to find out what happens on the other side of the prison walls and how inmates are really treated, or if you just want to learn more about The United States Justice System, Juvenile System, Law and Crime, 9-12 Sociology then this is the book for you. The strengths which this book possesses is that it's very descriptive and really tells how he feels in a formal way. The one thing that I have against this book is that it only tells one side of the story.
