Dean Koontz Unabridged CD Collection: Watchers, Midnight

Synopsis

Watchers From a top secret government laboratory come two genetically altered life forms. One is a magnificent dog of astonishing intelligence. The other, a hybrid monster of a brutally violent nature. And both are on the loose. | Bestselling author Dean Koontz presents his most terrifying, dramatic and moving novel: The explosive story of a man and a woman, caught in a relentless storm of mankind's darkest creation. | Midnight In picturesque Moonlight Cove, California, inexplicable deaths occur and spine-tingling terror descends to this "edge of paradise." Growing numbers of residents harbor a secret so dark it is sure to cost even more lives. Tessa Lockland comes to town to probe her sister's seemingly unprompted suicide. Independent and clever, she meets up with Sam Booker, an undercover FBI agent sent to Moonlight Cove to discover the truth behind the mysterious deaths. They meet Harry Talbot, a wheelchair-bound veteran, who has seen things from his window that he was not meant to see. Together they begin to understand the depth of evil in Moonlight Cove. Chrissie Foster, a resourceful eleven-year-old, running from her parents who have suddenly changed and in whom darkness dwells, joins them. Together they make a stand against darkness and terror.

Customer Reviews

I am a Dean Koontz fan through and through. Even his lesser books are great to me. With that being said, Watchers is my ALL TIME FAVORITE book of Koontz's...I have lost count of the number of times I've read it and now that I own the audio book I can listen whenever I want. I'm not going to go into the plot or storyline here, rather only want to say if you've never read this book you must!

Love it!

A wonderful book I have listened to over and over. Some dark parts for sure, but the main characters are likable and the dog lovable. I have listened to this audio book 3 times and am always smiling when it finishes.

If you like dogs and you haven't read "Watchers" yet, shame on you! Now you have no excuse ... you can listen to it on CD while you're driving! Midnight was excellent as well. I've never read anything by Dean Koontz I didn't love!

I haven't finished this audio book yet only listen on the way to and from work. So far it is GREAT, I love the dog and Trevor and Nora .Can't wait to get back to it.

I love these two books!!!! Two of Koontz's best books, in my opinion. If you like horror, you will love these two books. Great deal, as well.

This is the old Koontz before he turned out books for money instead on for the joy of writing a good book

Love listening to these books i read years ago.
