Customer Reviews

It's light, easy to listen to...and I love Anne Perry...if you are looking for a deep engrossing story...this is notfor you.Perfect for listening to in the car while commuting.

i had read 4 of the books included in this set and was glad to see they were availabe with the 2 i didn't have. they may be a little slow but are still enjoyable. tr

I was disappointed that these stories may be set around Christmas or in the winter, but they really are not Christmas stories. They are also really slow.
