The Family Table: Rediscovering The Blessings Of Christian Family Culture

Synopsis

In today's fast-paced culture, the family table -- once a central part of the life for believers -- has been all but neglected as families have become disconnected and domesticity has been eschewed. In this insightful message, Doug Phillips shows from the Scripture how that the table is to be a place of peace, discipleship, hospitality, and cultural transformation. It is the place where some of the greatest glories of Christian culture are manifest and where the discipling of children and the evangelism of the community can be carried out with great effect. It is the place where fathers set aside the burdens of the day and open God's Word; where wives demonstrate their giftings; where sons are catechized; and where daughters show their service. Christ communed with His disciples around a table, and for lasting reformation to occur in our time, families must likewise embrace mealtime as an opportunity to commune with one another and glorify God.

Book Information

Audio CD

Publisher: The Vision Forum (July 15, 2008)

Language: English

ISBN-10: 1933431555

ISBN-13: 978-1933431550

Product Dimensions: 5.5 x 4.9 x 0.4 inches

Shipping Weight: 3.2 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Customer Reviews

We have a large Christian family that stays so busy that it is sometimes hard to eat together and fellowship together. This teaching encourages families to spend time together and use that time to train their children and to build strong family character. I would highly recommend!

I only wish that I had had a copy of this 16 years ago when I started having kids. This is a great CD and I have ordered several other CD's by Douglas Phillips
