A Matter Of Faith: Five Inspirational Amish Romances

Synopsis

Join five bestselling inspirational authors as they share unique Amish stories guaranteed to make you fall in love with the simpler life.

BOOK ONE: The Widower's New Wife by Susette Williams
Jebediah Brenneman lost his wife during childbirth, along with his new baby daughter—the third daughter they had together. He relied on Eliza Yoder to help care for his wife during her last trimester, along with their two young daughters. Eliza continued to help manage his household and his children after the death of his wife so that he could continue to work. When Bishop Abram suggests that Jebediah is relying too much on Eliza, and that perhaps it is time he remarries, Jebediah is upset. How can he even think of remarrying someone? Eliza Yoder realizes she must consider Jebediah and his children's needs above her own. Maybe it would be better to step aside and allow another woman to take over. She's even willing to help him find a new wife. After two years of mourning the loss of his wife, Jedediah realizes how much he needs Eliza...but is it too late?

BOOK TWO: Out of the Blue by Janice Thompson
Katie Walken has been running most of her life—from her Amish upbringing, her family's expectations, and from an arranged marriage to Karl Borg. Now a real estate agent, Katie feels she finally has the life she always wanted. . .or does she? Karl lost his love when she fled from the Amish country. Leaving home, too, he became an attorney. But his heart remains with Katie. When Katie and Karl are reunited, they seem to have a second chance at love. Will they allow God to help them face their past while looking toward their future?

BOOK THREE: Plain Sanctuary by Cynthia Hickey
Sarah Sawyer wants a life of peace for her and her daughter. After the death of her husband a year ago, she has been on the run from a group of men who believe she has something they want. She intends to hide out in Amish country until she can form a plan of safety. She never intended to be shot and offered sanctuary among the simple people who offer her a temporary identity. Ben Hartzler finds a wounded English woman and her daughter in the woods behind his house. He brings them home so his mamm can tend to them, intending to send them on their way soon after. His mamm has other ideas. She wants to help the woman and provide her a safe place to stay. How can Ben allow an outsider to bring danger to his peaceful haus? Can Sarah leave behind her fear and Ben his prejudices in order for them to find mercy?

BOOK FOUR: Ruth's Dilemma by June Bryan Belfie
Life is complicated for Ruth Zook when her older sister, Emma, stakes her claim on Jeremiah Fisher, the man Ruth secretly loves. Confused about her own future, Ruth decides to leave Lancaster County in Pennsylvania to stay with her Aunt Esther, who left the Amish and teaches at the university in Philadelphia. Ruth is introduced to a handsome young lawyer, who finds her enchanting and wants to be part of her life. Will Ruth leave all that is familiar to her for an easier life—a one filled with modern conveniences

and luxury, or will she return to her plain Amish life and settle for a marriage, perhaps one without love? **BOOK FIVE: Jacob's Daughter** by Samantha Bayarr **LIZZIE BARLOW** is running from her past and present mistakes. Not knowing which direction to go, she finds herself hiding out in the same Amish community in which she grew up. With her ten-year-old daughter Abby, in tow, she fears her secrets will catch up to her. When **ABBY** discovers her real father may be living just down the road from where they are staying, she sets off on an adventure to meet him. What she doesn't know are the many secrets that her mother never shared with her--the same secrets that will turn her life upside down. **JACOB YODER** is an Amish widower, trying to raise his ten-year-old son, when his past shows up on his doorstep unexpectedly, threatening to change his life forever. Will life ever be the same for Lizzie and Jacob again?

Customer Reviews

Susette Williams book *The Widowers New Wife: Jebediah's story* is truly sad. The way Eliza is always there for him and his girls is wonderful. Watching their friendship change is amazing. You can feel God working throughout this whole book. You won't be able to stop reading this book. I had the honor to review this wonderful book for the author. Janice Thompson's book *Out Of The Blue*:

Katie and Karl's story is truly amazing. Years after leaving her family and Karl, Katie never thought she would see Karl again. When Karl comes to the office where Katie works they are both shocked to see each other. You will feel God working throughout this whole book. You won't be able to stop reading this book. Cynthia Hickey's book: Plain Sanctuary: When Sarah came to Mount Harmony her life and Lacey's life were in danger. From the time that Ben found them their lives will finally change for the better. You will fall in love with Miriam and the rest of the family. Bishop Yoder is also a remarkable person. The way Ben protects Sarah and his family is truly amazing. You will feel God working throughout this whole book. Jane Bryan Belfie's book: Ruth's Dilemma: Ruth and Jeremiah's story is really special. Ruth is an amazing person, she is always ready to help her family and friends. When Ruth leaves me to stay with her aunt her life changed. Watching Ruth change will have you on the edge of your seat waiting to see what happens next. You will feel God working throughout this whole book. Samantha Bayarr's book Jacobs Daughter: Lizzie and Jacobs story is amazing. When Lizzie left her family and Jacob, she never thought she would have to return home again. When Lizzie and Abby return their lives change. You will feel God working throughout this whole book. You won't be able to stop reading this book. I had the honor to review these amazing books for these incredible authors. The box set deserves a higher rating than a five star review.

Matter of Faith is a good collection of Christian Amish Romance books from five different authors. I have read 3 out of 5 of these books so far and have enjoyed them. Here is my review for the 2 of them: The Widower's New Wife: Susette Williams starts out the collection with her book, The Widower's New Wife. A great story that describes so well the emotions that we may have after a loved one has passed away. The romance in this book was slow going but I could completely understand how Jebediah could be afraid to love again. Eliza was a strong character in this book. She was such a good friend to help with the family after Jebediah's wife passed away. I love that she cared for the children like they were her own. A good read. Ruth's Dilemma Ruth's Dilemma.'s was a joy to read. I loved reading about Ruth's Amish home and finding out the reason she decided to leave. It had me flipping pages wondering how Ruth would solve her dilemma. I was drawn into this story more as she went to Philadelphia. The sights and sounds were described so well I felt like I was there with her seeing it for the first time. Ruth impressed me that no matter what happened, she never forgot to remember God everyday. She made sure that she took time to pray and read her Bible every day. I also admired her wit and willingness to work even when she didn't have to. This book reminds me that God has a reason for the way he directs your life and not everything will happen at the timing you expect. A wonderful read. A Matter of Faith is a good read. Overall I think

you will find stories that you will love in this set of Amish Christian Romance books. This book was given to me by one of the authors in exchange for my honest review.

I really enjoyed reading all the books. I really enjoyed the books that shared the recipes of the foods that were shared as part of the stories. I would recommend these books for anyone who likes to read stories about the Amish.

I enjoyed this collection of 5 Amish novels very much. Each story was written by a different author and each good in its own way. I love a clean story and these were free of profanity and explicit sexuality. I love that I could feel free to recommend them to anyone, even teenagers or elderly readers. It is always great to sample several authors new to me without buying 5 different books.

I loved each of the stories in this collection. They complimented each other nicely. Interaction between characters gives much information about the Amish and how they live their lives. Highly recommend this collection. Nice and long for a great price.

Fantastic books on Faith, love and family. This is the second time I read these books. I read them a few years back, somehow I enjoyed them more the second time around. Loved the happy ending for Jacob and Lizzie.

Great stories! Love each author's perspective! Get your copy now!

Several different stories are in this bundle I got on my kindle and I enjoyed them all. Some may not be impressed with the predictability of the stories but as I've said before I enjoy the twists and turns that take us to the expected result.
