Customer Reviews

My daughter loves to read and is crazy about Barbie at this time. We bought her the Farm Vet Barbie to go along with this book. She is so excited about them both. The graphics in this book are really nice and really show the animals well. I love that this book along with other Barbie books show young girls that they can be anything they can dream. If you have a little girl that loves animals then buy this book.

Granddaughter Cali is 6 and concluding a year of kindergarten. She did not care for the book, she felt it was not long enough and she wanted more detail: she wanted to know more of what a farm vet would do for each animal.

My 7 year old loves this book. It was just challenging enough. She loves animals which is what

made it exciting for her.
