Customer Reviews

I choose this rating because this is a great book. I really enjoy the way that Samantha Price writes, she does it with an open heart and mind and she goes with it. I liked the fact that she has Bred as a

mixed up girl whose parents threw her out because of a mistake. She had nowhere to go but to her friends house for help. She shouldn't have lied but I see her situation. I am glad that Andrew was her hero. I think everyone who likes to read should read all of Samantha's books. Thank you, Samantha.

It was the fifth book in the series, but was a stand-alone story which did not retell the same story as the previous books. She writes with experiences that lead to "ah ha!" moments. Very good.

I have enjoyed each book in this series. The author always packs plenty of emotion into a page turning read. Each book in the series stand alone but it's such a good series I think that anyone who enjoys romance will enjoy them. A must read series for anyone who enjoys Amish fiction.

This was great to read. The story had love, care, and concern for those involved in the turmoil of the main theme. In the end the man rescues the woman with the big problem and all turns out ok.

I'm enjoying this series

This was another great book by Samantha Price. I'm glad that Bree finally found true acceptance. Sometimes God works in mysterious ways.
