Customer Reviews

I just love Bilal n Kira, I'm too happy they had their 2nd chance and I admire how they took Rian in and showed her what having a loving family is really bout, I didn't like Tanya for the way she did her children but I'm glad that she is on a different path now (at least I hope so), I don't wanna tell the story so I will just say that this was a great read and I can't wait to see what's next from Ms.

Tabeitha

I love this series. When she said "every saint was a sinner and every sinner has a past" is so true. So who are we to judge. We can't, only God can. He is the only one we have to answer to. Next book, please! God Bless

Story was great read it just took to long to get into book. Beginning was long and confusing. Interesting to read book 3 and find out Tanya's faith.

I really enjoy this author writing. Waiting on 3rd book of this series. Page turner didn't want to put it down. Worth the time to read.

Family is everything. Love your children don't make them pay for things that happened to you. Jealousy and envy can be destructive.

Enjoyed the first 2 books, ready for number3. Really want to see how this family does/doesn't dal with LIFE. Good plot.

Love this book well written patiently waiting for part three great read very captivating god bless the author all smiles

Having read six books by this author, and liking each story, Tabeitha Pollard Mann is now on my list of FAVORITES!!!
