# A De Activista (Spanish Edition)

## Synopsis

Following on the outrageous success of Innosanto Nagara's *A is for Activist* (now in its fourth printing), *A de Activista* is a Spanish-language ABC board book written by Grammy Award-winning lyricist and singer Martha Gonzalez and illustrated by Nagara for the next generation of progressives: families who want their kids to grow up in a space that is unapologetic about activism, environmental justice, civil rights, LGBTQ rights, and everything else that activists believe in and fight for. The alliteration, rhyming, and vibrant illustrations make the book exciting for children, calling them to action while teaching them a love for books.

## Customer Reviews

I picked up this book for a friends baby shower. The recipient had asked that everyone buy a baby book and sign it so that the baby has a book from everyone. This book is awesome! Definitely a stand out :)

Bought for a baby shower gift. Love the book, love the illustrations, we have one for our own kids, and it does a good job combining social justice concepts with little kid fun (finding the cat on each page).

I loved finding such a book in Spanish. However, it is just not as good as the original "A is for Activist" (or "Counting on Community"). The original English book rhymes, and the translated version does not; it's awkward. All of the beautiful images are nearly the same, but often, the images don't fit because of the translation. I appreciated that ch, ll, and rr were added to the alphabet book. I would not recommend this book if you are looking for a fun, rhyming book that is comparable to the English version, but in Spanish.

My nephew really loved the English version of A is for Activist. Since he is bilingual its great to also have the Spanish version too!

Everything I've ever wanted in a book! Letter by letter, it talks about social justice issues. I can't wait to read this to my baby.

Gorgeous little book. I love reading it to my child.

Simply awesome!
