El Príncipe / The Prince (Spanish Edition)

Synopsis

"El prÃ-ncipe" (en el original en italiano, "Il principe") es un tratado de teorÃ-tica polÃ-tica escrito por NicolÃ¡s Maquiavelo en 1513, mientras este se encontraba encarcelado en San Casciano por la acusaciÃ-n de haber conspirado en contra de los MÃ©dici. El libro fue publicado en 1531 y dedicado a Lorenzo II de MÃ©dici, duque de Urbino, en respuesta a dicha acusaciÃ-n, a modo de regalo. Tiene ciertas inspiraciones en CÃ©sar Borgia. Se trata de la obra de mayor renombre de este autor, aquella por la cual se acuÃ-aron el sustantivo "maquiavelismo" y el adjetivo "maquiavÃ©lico". --This text refers to the Paperback edition.

Customer Reviews

Definitivamente, muchos gobernantes, funcionarios, politicos, hombres de empresa, etc. han tomado a El Principe como un manual. Si alguna vez nos hemos preguntado por que las obras de los politicos no terminan de traer el bien comun en la mayoria de los paises, aqui encontraremos una parte de la respuesta. Para resumir el libro en una frase, Maquiavelo dice que el fin justifica los medios. La残酷, la perfidia y la intriga son medios para que el gobernante conserve e incremente el Estado. Leer directamente EL PRINCIPE de Maquiavelo, nos puede dejar con un malestar interno, asi que para digerirlo mejor y entender a Maquiavelo, recomiendo leerlo junto con el espectacular ensayo NICOLAS MAQUIAVELO EN SU QUINTO CENTENARIO por ANTONIO GOMEZ ROBLEDO. Este ensayo viene como prologo a la edicion de EL PRINCIPE de Editorial Porrua (Mexico).

I am a frequent consumer of the so called sub-literature (like most teenagers), but forgive me my dear friends Anne Rice, Marion Bradley, Stephen King, Sidney Sheldon, etc... I love your work, but finally I found myself reading a DECENT and INTELLIGENT and USEFUL book by a genious called Maquiavelo. "The Prince" deserves to be used as a manual, not barely read... I don't say it should be followed blindly, though it should be mentally discussed by all. ESSENTIAL READING !

En la obra de Maquiavelo se refleja el pensamiento del Renacimiento en su forma mÁjs original, libre y abierto despojado de toda preocupaciÃ n metafÃ- sica, dirigido totalmente a observar la realidad humana y describir cientÃ- ficamente las normas y los fines inmediatos que regulan y orientan su desarrollo. El prÃ- ncipte debe estar dispuesto a obrar contra la fe, contra la religiÃ n, si el fin asÃ- lo requiere.La filosofÃ- a realista y pesimista de Maquiavelo tiene poco que ver con lo que, con evidente malafe, se llamÃ s adelante "maquiavelismo", deformando su pensamiento, pues cuando el secretario florentino hablaba de polÃ- tica, se referÃ- a a los intereses y modos propios de la polÃ- tica y no a la moralidad, y cuando aducÃ- a que el fin justifica los medios, querÃ- a significar fin y medios polÃ- ticos, y nunca formular una cÃ- nica norma espiritual de vida.

En este libro, escrito en 1513 mientras permanecÃ- a encarcelado por orden del duque Lorenzo II de MÃ©dici, a quien no obstante se lo dedicÃ- queriendo aconsejarlo, NicolÃjs de Maquiavelo expone una teorÃ- a polÃ- tica que se basa en pasar por encima de las restricciones morales, sociales, polÃ- ticas y religiosas con tal de gobernar, prÃ- ctica que ha sido bautizada como maquiavÃ©lica.En su libro, Maquiavelo aconseja faltar a la palabra, a los compromisos y traicionar, para mantener el control.Hecha la salvedad de que el libro ha sido escrito con una redacciÃ n antigua, es claro y directo en lo que quiere enseÃ ar.Se nota que Maquiavelo era un polÃ- tico interesado en la historia y que conocÃ- a bien la naturaleza humana.

It's one of the obligatory reading book in life. Learn about the people and the power. And How people would do everything to keep it, but actually it's not about the power, it's about the welfare of the people as the real goal. We need politicians who think in that way and not only in themselves.

i read it in spanish, because i figured the translation would be closer to its intended meaning. i enjoyed reading it and found myself wanting to discuss- more like defending maquiavelo- with my husband. his pragmatism is a bit amoral, but worth the read, because it is as close as you get to

business as usual when discussing nowadays politics. my next read inspired by this book is meditations by marcus aurelius.

Interesting book, and interesting thinking. I was curious about it since long, I am glad that I've read it. I cannot understand, though, that "machiavelic" has got such a negative connotation; I guess if I had "adapted" better to some "irregularities" in some aspects of my life, instead of keeping being "right", I would have a better life now. A good approach to life.

ESTA LLENO DE CONSEJOS DE MALDAD, QUE ES LO QUE MAS ABUNDA EN EL MUNDO, LA MENTIRA Y LA MALDAD, PARA MANTENERSE EN EL PODER A TODA COSTA, EN ESTOS MOMENTO ESTE LIBRO PIERDE VIGENCIA, Y CADA VEZ TENDRA MENOS LECTORES, AHORA SERIA UN ANALFABETO.
