# Ultimate Sticker Book: Presidents (Ultimate Sticker Books)

## Synopsis

Kids can learn all about U.S. presidents with this informative, updated sticker book. This new edition of Ultimate Sticker Book: Presidents features stickers of Barack Obama, the 44th president of the United States, along with all the presidents who came before him. Young readers will have hours of fun placing the photographic stickers on the colorful backgrounds, while learning about the history of the presidency as they go.

## Customer Reviews

It is a nice item. The problem is that when you remove the stickers the name is no longer attached. If you then stick the face into the gallery there is also no mention of the name. The book should be redone so that when you put the sticker in the book it is associated with the presidents name.

This is the same ISBN but my book only has a few pages and a different cover. The small photos did not fit in the portraits and not all of the presidents had photos. There also was not enough space for the presidents that did have small photos. It also wasn't clear what to do with all the other stickers, and there was very little information about presidents at all. We didn't bother to finish the book!

A great beginners book for young students. Helps students become interested in American history while still being fun. Very good for children ages 8-10.

Used the sticker book with my 5 year old grandson. Inconsistent sizes of stickers caused some problems for the project we were working on.

I thought it would be bigger like the Lego Ultimate sticker books. But its not. still nice and fun though

Both my son and daughter, ages 8 and 10, were thrilled to received this sticker book after visiting The Ronald Reagan Presidential Library and Museum. There are more stickers than places to place them in the book itself which is fine. The book is thin and only has 11 pages of scenes and stickers.
