Customer Reviews

This edition of *The Little Prince* in Spanish has no the drawings that are essential to understand and enjoy the text. It needs a warning alerting to possible buyers about that. Esta ediciÃ³n de *El Principito* en espaÃ±ol carece de los dibujos que son esenciales para comprender y disfrutar la obra. DeberÃ­a advertirse a los posibles compradores acerca de tan importante omisiÃ³n.

Esta versiÃ³n del principito no estÃ¡ ilustrada, y eso la vuelve pÃ©sima. No tiene sentido leer el

principito sin sus imágenes características. Pésima compra.

De acuerdo a otros lectores esta versión de El Principito no contiene las necesarias ilustraciones creadas por autor Antoine de Saint-Exupéry, de ser así- esta versión de Amazon no tendrá ningún sentido para el lector. Warning, this book lacks the required illustrations created by Antoine de Saint-Exupéry, if such is the case, this version must be avoided. I will make no sense without the illustrations.

This specific translation or just the version from this seller is or should be a publisher reject. I HAVE purchased publishing rejects before to save money on textbooks in college. I was not expecting to get a REJECT and am very disappointed with this. Be advised - shop elsewhere & buy a different spanish language version. The main problem with this version is that the book was not properly "Cut" and so many of the illustrations are chopped off. Also the text is printed too big and runs into the lines above and below a little.

Esta fabulosa es fácil de leer para pequeños y grandes, y con una de las mejores enseñanzas. La leo- cuando tenía a 8 años y ahora 20 años después sigue siendo una de mis historias favoritas. La prosa de esta historia es refrescante. El principito se convierte en una persona real, que te lleva a conocer gente y lugares, pero sobre todo te enseñará una de las más importantes lecciones en la vida. Esta lectura la recomiendo a esas personas como yo que les gusta soñar y aprender. Es todo un auto-examen de personalidad. Que lo disfruten

El principito contiene en tan pocas páginas palabras que penetran el alma para nunca salir. Que bueno que lo lei tan temprano en mi vida. Cada vez que lo vuelvo a leer, me da tanta nostalgia de recordar el tiempo cuando dibujaba por dibujar. Es un libro nuevo cada vez que se le lee, y en la profundidad de sus palabras es imposible no ver el reflejo de nuestro ser verdadero. No se que decir...es demasiado bello para tratar de definirlo.

This was my first book , i read it when i was 7 years old, i have not forgotten about it since then.... If you think you are too old, or too adult for to give it a try and read it...then you should not steal this amazing opportunity from a child of yours...i think it's the best children's literature ever written.

El principito es una hermosa novela en la cual se nos muestran todas las facetas de los seres

humanos a través de todos los personajes que viven en los distintos planetas. El principito como personaje representa la bondad, la ingenuidad y la inocencia de los seres humanos.
