Synopsis

Children's English-Turkish Picture book (Bilingual Edition) - Dual Language Turkish book for babies
Beautifully illustrated, an adorable baby in each page will make learning a fun game to play. You can use this to teach your child simple Turkish words about parts of the body like nose, ears, hands etc. Children (Ages 1 - 3) have to find the baby's eyes, ears, nose etc in each page; They are partly hidden in the page for your child to discover! Adorable babies are beautifully illustrated in this delightful Turkish picture book. Designed for kids/beginners who are learning Turkish as a foreign language This is a great book if you want to teach your little one where the eyes, ears, nose etc are in Turkish. This delightful book has fun filled pictures of babies on each page. Ideal for reading aloud in Turkish to your child. Beginning readers will enjoy reading the simple Turkish sentences on each page. Turkish-English bilingual Book for Children Ages 3-7 (Early reader Turkish book.)
Children learn to read on their own in a variety of ways. While reading about the where the eyes, ears, nose etc are, children and newbie Turkish readers can practice learning their Turkish. Bright and cheerful pictures of babies will keep the young reader's interest while they try reading Turkish on their own. Your child can relate to the new Turkish words they are learning to read. The simple sentences in Turkish in each illustrated page will give your child the confidence to finish reading the entire book by himself/herself! Kids can read along with the parent and point to their own eyes, ears, toes etc. Cheerful illustrations are on every page to make this sweet Turkish book very interesting for children. I consider myself still learning Turkish. So when I bought this book I hoped it would be a good tool to brush up & expand my vocabulary while teaching my toddler her father's native tongue!The translation to Turkish is a bit off on some sentences, but it all essentially means the same thing. It really depends on where the translator grew up in Turkey, because my husband will translate the English a bit differently. I still find it very helpful and fun to teach it to my toddler!I find it super cute! The illustrations are simple & sweet - we point at & name each object on the pages. And my toddler loves babies and points at every one of babies on each page!Yes, this book is paperback. So be observant if your toddler wants to read it themselves, they can/will rip the pages.Considering ordering another one to send my sister in law to teach her kids english.

First, no where in the description Of this does it mention that it is paper, not a board book or at all good more a baby/toddler. Also, the last page of the book asks the reader to review the book. I think that is very tacky.
