*Wendy the SuperLibrarian on Return of the Cowboy Doctor*:  
"Sometimes I think achieving a sweet (or a gentle) is exceptionally hard for a writer to pull off. Lacy Williams is my go-to author for when I simply want a sweet, gentle read that won't send me into a diabetic coma."  
*Kissed by a Cowboy* Just shy of her thirtieth birthday, Haley Carston returns to Redbud Trails, Oklahoma, to care for her dying aunt. She thinks she's ready for this homecoming. She's spent years escaping her perpetual shyness and being Katie Michaels' tag-along friend, but being back in her hometown brings back a lot of old memories, especially when she is faced with the cowboy she never forgot—Katie's older brother, Maddox. Twelve years ago, Maddox Michaels was supposed to be somebody. He had everything. A football scholarship. A Division I team scouting him. Maybe even a chance at the pros. Now, he's a burned-out cowboy working day and night to stay ahead of his brother's medical bills and keep their family farm from going bankrupt. And trying to be a father-figure for his niece, Olivia. When Haley and Olivia start spending time together, Maddox can't help remembering those dreams that died alongside his sister. Will being with Haley open his heart to new dreams?

*Love Letters from Cowboy* When the love of his life is injured in combat, Ryan Michaels promises himself he won't let any more time go by without ensuring she knows that he loves her. His problem? Ashley still sees him as the goofy high school kid that followed her everywhere. Ashley Reynolds returns home to Redbud Trails, Oklahoma, a wounded veteran, with her Military Working Dog at her side. She's concerned about her aging parents and doesn't have time for a relationship—especially not one with a college dropout like Ryan. But as Ashley dives back into the life she left behind, she discovers there's much more to Ryan than she thought—there's a man of honor and integrity. Will she open her heart and let Ryan in?

*Mistletoe Cowboy* After suffering a career-ending injury, bull rider Justin Michaels has stalled out. At twenty-seven, he's back in college trying to find direction for his life. He doesn't have room for distractions—even pretty ones like the barista who sits next to him in class. Valri North has spent her whole life taking care of her younger siblings. Now she's a few credits away from completing her pre-med degree. She's got her life planned out, until a disastrous assignment in class and a larger-than-life cowboy threaten to derail her carefully-ordered plans. Justin determines to keep a budding friendship with Valri platonic—until a Christmas snowstorm forces the two into close proximity. How can he keep his feelings for Valri hidden when she's too close for

any more irresistible. Bring back to town the girl he almost fell for all those years ago, the best friend of his late sister and sparks may just fly. Lacy Williams' writing is heartwarming. She'll make you laugh and cry and maybe even fall in love with a cowboy.... And that's just the first story in this trio of stories. I loved the stories so much that I had to get the paper copy so I could read it again and again.

Clean, sweet, thought provocative stories. Each situation involved a cowboy. The differences stop there. Small town settings good people at heart

Love Letters from Cowboy by Lacy Williams is such a perfect way to wrap up this collection. Ryan is definitely a swoon-worthy character! He has such a kind and caring heart. As the story progresses, we see what kind of person Ryan is by the ways he has cared for others. Ashley is home after being gone for ten years in the military. She never really looked at Ryan in a romantic way in the past. Can Ryan convince Ashley that he is the man for her? This is such a sweet story of love and forgiveness. Mistletoe Cowboy by Lacy Williams â " I loved reading Justin and Valriâ™s story in this contemporary novella. These two people seem like such opposites, but share a connection right from the start. Justin truly does not feel worthy of Valri and the goals she has for her life. I loved watching things work out for these two! This is a tale for those who love stories with strong cowboys!

This contemporary cowboy novella was wonderful! Haley returns to her small town after being gone for ten years. The crush she had on Maddox long ago could turn in to something more. But Maddox has some big issues to overcome. He is not the confident football star that he used to be. Life has been hard and he feels less than worthy of Haley. I love how both Haley and Maddox have things that make them unsure of how the other feels about them. Both of these characters are so well-written. And the side characters in this story are wonderful. I am hoping to read more about them in future stories. Love Letters from Cowboy by Lacy Williams is such a perfect way to wrap up this collection. There are three stories in this set. Each one a stand alone book. The first -KISSED BY A COWBOY- The awkward girl from high school grows up and returns to her small hometown to help an ailing aunt. He is back home running the ranch and taking care of siblings and his sister's child. It is a sweet story, a little sad, a great hero, and HEA as they find their way to each other. I enjoyed this one. LOVE LETTERS FROM A COWBOY- This cowboy is one terrific human being. He has a crush on her in high school but he is two years younger than her so she rarely gives him the time of day. She finds out that she was adopted and she loses it. I'm not sure why it was that big of a deal since she had a great home life and loving parents but she finds out and joins the Army. She is now back home, minus an arm, and he is still in love with her. I did not like her. I think she was a witch! She was so ugly and mean to him and after all he had done - because she was not there to do it, she has so many negative thoughts about him. It does have a HEA but she really needed a softer side. I'm not sure why he bothered, she didn't seem to be that much of a prize to me. MISTLETOE COWBOY-
