Amish Mystery - Love & Captivity (An Amish Mystery & Suspense Story) (The Amish Lifeline Mysteries Series)

Synopsis

DOWNLOAD FOR FREE WITH KINDLE UNLIMITED Leah McNaught has never met anyone like Zac in her twenty-seven years of life, and she's not sure that she ever wishes to do so again. He's smart and quiet, reserved and protective, but he's also on the run from something; she can tell. There's also the mystery of the elders' house on the hill, where almost no one ever goes and about which no one will speak freely. Rumors abound, but Leah knows that there must be something more to the magnificent house. When she finally decides to investigate, nothing goes as planned, and she puts into motion a chain of events that will change her life forever. From a day in bound captivity to guns and bullet wounds, nothing will ever be the same for Leah or her friend Saran, who is finally celebrating her long-awaited wedding day. "I don't know if I should take you inside or let you stay out here and be struck by lightning." The deep voice that sounded behind her was far more of a threat to her than the impending pneumonia she was on the verge of contracting. It was even more frightening than the threat of being hit by lightning. She turned to look into the same soft brown eyes she had met a few times before and somehow found her tongue. "Well, if you don't do either, the pneumonia is sure to kill me anyway." She was trying her best to sound as if she was unfazed by his presence or her sleuthing being found out, but the tremor in her voice must have given her away. "Take her," Zac ordered the two burly men who stood behind him. Zac has not lived to see thirty-two by relaxing, and it is his cautious, suspicious nature that has saved his life and those of his closest friends over the last few years. They are still on the run from his best friend Saran's stepfather, who has vowed to murder them all because they know his secret. Finally taking refuge in a small Amish community that feels like home, Zac sets up a network of security to protect not only himself and his friends, but also the innocent townspeople who have taken them in and offered them peace. What he doesn't bargain for is the one woman who finally sneaks through his barriers, in every possible way, but he must hope that she's exactly what she appears to be—a simple, innocent Amish girl with far too much curiosity for her own good. Otherwise, he'll have to keep her locked up indefinitely, or worse, in order to protect his friends. He must make a decision, for she has already won a place in his heart that he fears he'll never recover. Will Leah be able to prove that her curiosity is not a plot to destroy the lives of her closest friends and the man she loves? Can Zac finally learn to trust and find a way to bring an end to their run for freedom and safety at last?

Customer Reviews

I am becoming a fan of Amish mysteries! I really enjoyed this short novella. It was fun to try and figure out what would happen next but I guessed correctly each time. This is the first book of Sarah Sowell I've read and it was a book recommended at the comment page of another book. I will read more of her work.
