## Customer Reviews

Brandon Auger demonstrate his best to prove to Kierra to give him a chance to be with her. I am so glad Kierra decided to give Brandon a chance. They found happiness together as Husband and Wife. Brandon truly show love through his action toward Taylor as his own daughter was so sweet. He will do anything to protect his family. The thing I love about this continue story is the way how Jeneica minister to the readers about the power of forgiveness through the Character of Nard who is Kierra's father. Even though Tamika did Nard so wrong but he still loved Tamika. Tamika choose the wrong path and paid to a great extent for it. With confidence, I hope she sees the error of her ways and begins to improve herself so that she can love others. Alcoholism and being unfaithful in a marriage with the character of Dennis. Dennis and Eva are one again in rocky grounds. I love the fact the Eva continued to prove that no matter for during you think you are, you agree nothing without God. I hope that Dennis and Eve can find a way to be heal and let go of the pain. Finally I hope that Dennis will go to treatment in recovery for his alcoholism. Alcoholism is a sickness and it caused damages to the family. This was a great story also about salvation. In summary to the title of this narrative is God will work out everything for us and He took us all down on a different path but Thank God we don't look like what we have been through. That's is my testimony. I am ready to read more great story by this anointed Author, Mrs. Jeneica Johnson. I recommend this book for everyone to read. There were many life lessons in this narrative. The title of this book, "I Don't Look Like What I've Been Through" alone caught my attention and really can ministers to the readers.
