#### Customer Reviews

There is nothing my nephew looks forward to more than the newest weekly Minecraft book release from Books Kid. This book is about Trent who was originally a villager until his town was overrun by zombies and in the process he became a zombie villager. I want to say more, but I'm afraid I might give away some spoilers. I will say there is a good life lesson in here that relates to embracing people's differences rather than ridiculing them for being different. That is simply a bonus because the story itself is fascinating. My nephew and I highly recommend this book.

My 9 year old son just finished reading all 30 of these books and is bummed that there aren't anymore. He read them every night for weeks and loved them.

I want a sequel it leaves off on a cliffhanger. Also one of the best books I have ever read in minecraft diaries history!!! MAKE A SEQUEL NOW!!!!

This was a great book that I have enjoyed about a brave zombie villager. This is a book recommended to everybody.
