Synopsis

Matthew is a father who just lost his wife after her three year battle with cancer and must now raise his three children on his own. They live in an upscale middle-class area in Raleigh, NC. Just when he thinks the worse is over and tries to put his family back together, his peaceful home is turned upside down and has become a total nightmare. He soon finds himself in an all-out warfare with the devil whose name is Keith to save his oldest daughter Amber who has chosen the love of an older man. It doesnâ™t help that she blames him for the death of her mother and is totally rebellious towards him. Amber has no idea that her love for Keith will take her to the depths of hell and back. She will be forced to choose between Keith and her father. Can the Lord save this family before it is too late or will the devil pull them into total despair?

Customer Reviews

While this book had a interesting and extremely important message, it was not as developed as it could have been. The characters were not well developed, the story line failed a bit. The book suffered with a number of grammatical errors, which should have been picked up before publishing

I really enjoyed reading this book it showed a fathers love but oh how much more is our Heavenly Father love for us. There were some misspelled/misused words but the storyline was good, the ending was truly a blessing to any believer. What happens when teenage years set in because it looks like all good sense just leave.....sometime.....LOL

I just could not put this book down, even though Matthew went through so much. love of God was evident and his willingness to forgive even after Keith caused so much pain to his family . I look forward to more books soon .This is my second book and I'm about to purchase undercover Deacon .May God continue to bless you Mr Ray.

Another Masterpiece by Andre Ray. I must say this is a must read book for all parents and all children. The story had me hooked from the first chapter I could not put the book down until I found out what the title really meant Never Letting Go ..will have you calling your parents appreciating them and never doubting what they say. please read this book and you will understand what it truly means to never let go of what you believe in keeping your family close. Reading this book I thought I knew the ending but Andr   Ray has put so many shocking positive surprises and turns. you have to just read the book to understand. I don't want to give story away.

This was a excellent story. Each young lady should read this book, when you think your parents are to hard on you. They are there to guide and protect you. This father really showed his love for his daughter.

Awesome book. I couldn't put it down from beginning to end. I can't wait to read more from this author. I recommend it to all my friends and family. Mr. Ray is a gifted writer. Continue to let the lord lead you. Praises

I enjoyed reading this book; love of a father is priceless. Matthew is the father of three children and he just lost his wife to cancer. Amber is the eldest child and she is mad at God and her dad for her mom dying. Amber decides to date a guy name Keith; who is much older than her. Keith is a drug dealer and living a crazy life. Keith makes a bad decision and puts Amber in harm way. Amber dad will die trying to save his daughter. It was good to read a book that had Raleigh, NC in it. Book had a few errors but did not take away from the story.

A father's Love, What we won't do for our kid. A must read, ok couldn't put it down. This father loved his children and would do anything for them. But it's always one that will disrespect you and think that they are grown until they get in trouble. Follow this family you will cry and cheer for them until the end. Well written
