Customer Reviews

Excellent book for people who would like to start a business but don't have access to a lot of money. It simplifies each step to success and also tells you what mistakes not to make. A quick and excellent read. I recommend this book!

Succinct and to the point, Platinum Rose reveals her secret to millionaire status using an initial investment of \$3000. It is no pyramid scheme or MLM pitch, simply her proven method to achieving wealth. Filled with "tips and tricks" and "do's and don'ts," this author lays the foundation by giving the reader "just enough" information to pique their interest and begin the process. Anyone looking to gain wealth through residual income, could benefit from this short read. I HIGHLY recommend this book.

I read this book in the lobby while waiting on an appointment. Very quick and gives good info on how to gain financial independence. Would like more info on downside of industry or if the sale doesn't always go as expected. But great read & I will be looking into this!

Great Information easy to read and comprehend. Practical advice that you can use to help you get to financial stability.
