Labor Relations And Collective Bargaining: Cases, Practice, And Law (8th Edition)

Synopsis

The eighth edition of this best-selling book continues to provide readers with a realistic picture of actual collective bargaining and labor relations situations drawn from the authors' considerable experiences. Sections of actual labor agreements as well as arbitration cases and decisions of the National Labor Relations Board (NLRB) and the courts illustrate and emphasize contemporary issues of collective bargaining and labor relations. Experts in the fields of labor law and arbitration have contributed to how the concepts in the book can actually be applied. In addition to covering history and law, workplace challenges, the collective bargaining process, and labor contracts, major features of this new edition include expanded coverage of public sector labor relations, international collective bargaining issues, union organizing and avoidance strategies, and collective bargaining in professional sports. Because of its comprehensive coverage and excellent resource material, this book is an excellent reference for human resource directors, labor relations directors, personnel directors, and labor negotiators.

Customer Reviews

I purchased this book as it was a required for class. This book is great for any new student learning about labor relations and the CBA system. It is was very easy and understandable for a person learning. I would recommend this book for others.

Love the class for this book, but i honestly havent had the need to open it yet.. it's still in its original

wrapper.Nothing missing. Brand new conditionsI hope to buy more books from the seller

Significant oral interpretation of the labor movement march through the last century and it's impact on current business culture and workers

Wow! For that price, I really can't complain much. I would recommend this to anyone who is interested in this product. Thank you again!

I had to have this book for class and was pleasantly surprised to find that this textbook was so inexpensive on !
