Customer Reviews

As a ServSafe Instructor, this is exactly what I needed to purchase. It is the book along with the written test blank. I simply needed a copy for my personal use. Oddly enough, if you are a Prime member it is cheaper to purchase these through than the actual ServSafe website (considering shipping/taxes...at the current cost).

I have taken the ServSafe Managers test twice and failed. But once I've purchased this book and read/studied, I've passed my exam 91% score.

Just what I needed to take to my class. Included all necessary documents.

Yes, it is the greatest book. However, I still think it is expensive...

Comes with required test sheet that YOU WILL NEED!

Very helpful I would recommend :)

AS DIOSCRIBE. VERY IMFORMATIVE.

Textbook arrived in perfect condition still wrapped in plastic. The answer sheet for the exam was included inside the book right past the cover. Wish the price was a little lower though.
