Karen Kingsbury writes the best life changing fiction I've ever read. Her stories have helped me through times of darkness and helped me to bring scripture to mind when I need it. This series is wonderful.

Another great series from Karen Kinsbury. Keeps you wanting to find out more about what each character will be doing next. The CKT (Christian Kids Theatre) sounds like it would be fun to be a part of.

I didn't even realize that this was a continuation of the Firstborn series. I just happened to listen in that order. I love the audiobooks because I can "read" a story while I clean house or drive. This is a very engaging series. Good life lessons, too.

I really like the cd package of these books. I had a 16 hour trip (there and back) and listening to the cds was very helpful. It also helps that Karen Kingsbury is a Christian so I do not have to find out after I listening to the cds some of the worse language. Did not have to worry about that here.

This series was so enjoyable. It makes driving in the car so nice. I love listening to books on CDs.

I AM NEW TO KAREN KINGSBURY, BUT I HAVE ENJOYED THE BOOKS SO FAR, VERY INSPIRATIONAL.

I have never read a book by Karen Kingsbury book I didn't like. She writes such decent, moral stories. Yet she isnt afraid to tackle subjects where humans are not perfect, but always find a hope of redemption.

My husband and I both love Karen Kingsbury's books. We do CD's as my husbands eyes are to bad to read. Just finished the Sunrise series and are now listning to "Coming Home". I usually read the books but had picked up some CD's at a truckstop when they were on sale. Made the mistake of playing one when my husband was with me. Now we are buying them on CD's because he looks forward to the next one as much as I do. The sunrise series was a great buy as the whole series came together from . It would be so nice if all her series came this way. I had already purchased the "Bailey Flannegan" series on my kindle fire before I discovered my husband liked them so much, guess now will have to buy them on CD's also.
