# South Of Deadwood / Too Tough To Brand / A Gun For Kilkenny

## Synopsis

South of Deadwood Take the stagecoach into Deadwood with Ranger Chick Bowdrie to bring a notorious killer back to Texas - and justice. When he meets a beautiful young woman convinced Curly Starr can clear her brother's name, Bowdrie agrees to help. But first he must elude the rest of Starr's gang who wait for the legendary lawman and his prisoner to leave town - so they can kill them both!

Too Tough to Brand Texas Ranger Chick Bowdrie was called to the O Bar O Ranch when the foreman, Bert Ramey, disappeared with \$15,000. But from what Bowdrie can tell, Ramey is no thief. Karen Ramey believes her foster father may have been murdered, and she is deathly afraid of their new foreman. Meanwhile, Lee Karns, the owner of the ranch, is behaving suspiciously--but how could he be involved with the theft of his own money? If the questions outnumber the answers, that makes it a case for Bowdrie!

A Gun for Kilkenny A dusty stranger comes into the town of Boquilla in search of a drink after many hard weeks riding the trails. He enters the saloon, and within minutes the town bully is dead on the floor. Who is the stranger? Is he John Wesley Hardin? Or the legendary Marshal Kilkenny? Speculation and admiration run through the town like wildfire. To show their gratitude, the townsfolk persuade the stranger to stay awhile. All the free whiskey he can drink and the finest hotel room in town are only the beginning of the good life for this man, more accustomed to the cold hard ground and meals of greasy bacon and biscuits. The attractions of the dangerous stranger are also irresistible to the pretty young women in town. But the stranger's luck cannot continue. Someone suspects that he is not who he pretends to be. After all, according to legend, Kilkenny always leaves town after killing the bad guy. Why would he stick around this time?

## Book Information

Audio CD: 3 pages

Publisher: Random House Audio; Unabridged edition (November 4, 2008)

Language: English

ISBN-10: 0739358871

ISBN-13: 978-0739358870

Product Dimensions: 5.1 x 0.5 x 5.9 inches

Best Sellers Rank: #448,622 in Books (See Top 100 in Books) #34 in [Books > Books on CD > Literature & Fiction > Westerns](#) #968 in [Books > Books on CD > Literature & Fiction >](#)

## Customer Reviews

I purchased this audio CD to listen to in the car during a long road trip. It's been a few years since I've read Louis L'Amour books, but these well done stories brought his books vividly back to mind for me. The sound effects and character voices were top notch, and I enjoyed every minute of this CD. For anyone who enjoys Westerns and especially Louis L'Amour's books, I recommend this audio recording.

The title pretty much says it all. The only negative is that the country-western singer who does much of the narration was selected to sound like a old man in the West telling stories. Although he did well in that job, I'd have preferred he try to sound like he's not part of the story. Some narrators have the skill of not appearing in the story except as we become momentarily conscious of their skills, and this results in a smoother flow of the listener's fantasy.

I sent this as a gift to a very dear person that recently lost her sight due to a stroke. She enjoyed the stories immensely and even liked the fact that these are short stories you can listen to one at a time in bouts of 45 minutes or so. I plan on getting her more.

This book on cd was purchased as a gift for my grandfather. L'Amour is his favorite western writer. He has just about every one of his novels. His sight isn't as good as it use to be so this made the perfect gift. He can still enjoy his westerns.

Louis L'Amour is a great writer. Love his stories, were very interesting, and quite lived up to the reputation of L'Amour. Enjoyed the stories very much,

When we travel, we listen to books-we like all types. My husband especially enjoys Louis Lamour. These stories are well read and entertaining. Thank you for having them available.

I bought this audio book for my father who is blind. He loved listening to these stories because of the descriptive language and because the stories are not too long.

Good stories. Well presented and a pleasure to listen to anywhere. Hope there will be more come

available. Looking for more audio books about the Sacketts.
