My One Regret (Martin Family Book 3)

Synopsis

Wynn Martin had an opportunity to move to Austin and fulfill her dreams as a musician. Although it meant she'd have to drop out of school and leave her friends and family behind, she felt like it was the right decision. She also trusted that her new boyfriend would help make it a smooth transition. But sometimes change comes hard and swift and leaves you feeling blindsided. Wynn was about to discover this reality. It was in the midst of this storm that she realized she needed to deal with her biggest regret. If she could only set things straight with Ryan Collins, everything might return to normal.

Customer Reviews

I just love Brooke's books, they are all full of hope, romance and God messages in them. Is good to see that writers are not ashamed of writing about God and how he is the key in our lives. Can't wait to read the 4th book!!

Oh my goodness! Seriously Brooke! You are The new master at amazing Christian romance authors! Your characters are so relatable and humble! I love love love your books and can't get enough of them! Thank you and please keep cranking them out because I am devouring them as fast as you do! Many blessings to you and your family!!!!

A sweet romance! Wynn misses her opportunity with Ryan. It takes two years and lots of heartache to fully appreciate what she lost. Both of them become better people through the experience. Love wins!

This story was ok, don't get me wrong I love Wynn, she was so nice in the previous book. The thing is It felt weird, rushed and I didn't get to feel Ryan's love for her, although I now he did. I didn't feel the butterflies like I did with Jackson and Alex and Cole and Livy. I do love Mrs. Brooke's books. I can't put them down.

I just love this series. I've been thinking about the people in Louisiana and how they've suffered again with damage to their land. It may not have touched me as much if I hadn't been reading this series. I've never been to Louisiana but my mom has and she said it was very lovely there. Keep up the great work and God bless.

Book number 3 in this series seems to have more substance than number 2, or at least to me. One was good, but two was just so so. This one is more like the Brooke St. James I've liked over the years. More conflict and resolution .

I am not exactly sure why, but I just loved this one so much. I reread the second half like 3 times while I recover from surgery. The characters are so sweet and believable and lovable! Can't wait for book 4!

How cool is that!!! Another winner by Brooke St James. I loved Ryan and it was so fun getting to know Wynn better. A beautiful story about love and forgiveness! 5 stars!
