Customer Reviews

I bought these Bible CDs, not sure if they would be appropriate for my son who is 2 years old. Too my happy surprise, he really enjoys them!! I put a different CD on every night while he's going down for the night instead of his usual lullabies. He falls asleep easily, and I love the fact that he's listening to God's word before and during his sleep. I've also noticed when we are reading Bible story he is more apt to point out "jesus" or "God". Very awesome and I highly recommend them for families who want their child to hear God's word and get it in their child's spirit!!

My children (8, 6, 4, and 2) love listening to this series. They listen to it an night before they go to sleep or during rest or quiet times. We have been thankful for how much they have retained and learned from listening to the CD. I highly recommend it.

Love this. Theologically sound and relevant. Kids love it and learned a lot from it. Wish it was still being produced.

The Adventure Bible is good for older kids. My son is 6 . He did not like
