# Tom Gates: Everything's Amazing (Sort Of)

## Synopsis

Back to school, but it's not all bad. Sports Day, the school fair, and Tom's birthday are all coming up. And even better, his awful big sister Delia won't be at any of those events! On the downside, Granny Mavis is threatening to make his birthday cake a "uh oh!" But on the other hand, Mr. Keen has asked DOGZOMBIES to perform in front of the whole school! YEAH! Maybe they can even play at the school disco too. How can the term turn out any less than seriously amazing?

## Customer Reviews

This is a book about a kid named Tom Gates who has an amazing life! (Save for grouchy sisters, bullies and embarrassing school discos). In the beginning Tom is having a great start to his day! But his plan to have fun is foiled with these two words "math lesson." I think people of all ages would love this book. Even though kids ten and up would get the most out of this hilarious U.K. novel, the word art on each page really draws younger kids into the story. Because of funny twists in the story and characters kids can relate to, I will give this book 5 stars. Review by Maccabee, age 9, Atlanta Mensan
