Customer Reviews

I was very disappointed in listening to the Law of Attraction speed-read in monotone by Jerry Hicks. This is important work and really needs to be delivered by Esther Hicks/Abraham. I got so tired of trying to keep up with Jerry's speed-reading and trying to maintain interest in the monotonous way in which it was read that I finally gave up. I will not buy anything else by Abraham unless it is delivered by/read by Esther/Abraham. Sorry. Please, Jerry, for the sake of the work, step aside or, possibly you could ask Abraham for help/guidance with this. Thank you and blessings.

I love the messages on the Law of Attraction and Ask and it is Given CDs. I was raised with the image of God with this big bat He would use every time we screw up. This did not line up to how I felt inside. The message in these CDs paint a different picture of God, Universe, Source, Higher Being. Abraham/Ester Hicks declares that we are part of this Great Creator and not separate. Joy is what God wants for us. And His focus is not punishment but Love. Feeling good lets us know we are on the right path. And God, Universe, Source, Higher Being wants us to have what we want. And specific instructions are included to help us manifest what we are wanting. The narration by Ester Hicks/Abraham (The Law of Attraction) is vastly superior to the Jerry Hicks (Ask and It Is Given) narration. There is so much more energy in Ester's delivery. I listen to Jerry because I believe in the message, but his voice is a monotone that is hard to digest. (No offense Mr. Hicks but it's the truth as I hear it) I have to make myself pay attention to the words. I love the work they are doing but Jerry's narration spoils the pleasure of listening for me. I personally would prefer all of this precious work in the voice of Ester Hicks/Abraham. In spite of Jerry's narration these CDs are too important to pass up. They helped me to see myself as more a part of the Universe and provided helpful tools to help me become more of the person I want to be. It's worth the money. Buy it. GHW

I paid \$26 to listen to Jerry Hicks speedread another Abraham book. I like to savor the material, reflect on its meaning but he's in such a hurry that he really isn't into the material at all. I had to turn it off after 2 chapters. When Esther speaks it's the opposite. Jerry needs to get out of the way!

I have been a student of metaphysics for over a couple of decades. Once introduced to the teachings of Abraham through Ester and Jerry Hicks, physical manifestations were instantaneous and my life was changed beyond ways of explanation. I made a conscious choice to feel better, pay attention to my emotional indicators and stay in the Vortex 24/7/365. The better it gets, the better it gets. If asked, my advice to those reading this review is to get tuned-in, tapped-in, turned-on! All is well in the Vortex, we'll be right here waiting for you.

I have listened to the The Law of Attraction & Ask and It Is Given twice. It is very uplifting and spiritual. I believe it to be true. I am trying to change my thoughts to reflect what Abraham and Ester and speaking about. It is starting to work.

I have read and listened to all kinds of books on topics regarding spirituality, religion, the mind, power of believe, self improvement, etc. and this is by far the most complete and effective

explanation of its kind. It really is where its at, right to the point. It also gives you stages on how to go about doing what it takes to bring what we really want into our lives.

I am so grateful for this product, I came across it at our local library and borrowed and borrowed it until I realised I HAD to own it! Thanks to .com I got it at a wonderful price including the postage - halfway across the world! Now I listen to the wisdom of Abraham in my car where ever I go and am able to keep in touch with a positive frame of mind and creating the life I want. Very uplifting

Great shipping recieved very quickly. This collection is the foundation of all the Abraham teachings. I have listened to Abraham over the years and it is always good to go back to basics and remember why Abraham has helped so much. This is a great way to introduce Abraham to a new creator, everything begins with this solid foundation.
