## Synopsis

**Love Me Forever** A young heiress in mourning for her mother's death, Kimberly Richards has been abandoned by her lifelong fiancé. But Kimberly's father, the recently widowed Earl of Amburough, is intent upon marrying her off as quickly as possible to please the jealous lover he longs to wed. So the rather indelicate business of matchmaking begins. And Lachlan MacGregor, the dashing and newly impoverished Laird of Clan MacGregor, is deemed the worthy suitor. Kimberly, however, harbors a deep-seated dislike for Scots, gold-diggers, and the whole woeful state of affairs in general. Therefore, a tryst with the handsome, haughty Lachlan seems dubious at best. But strange turns and outrageous circumstances promise to lead the ill-matched pair to a wildly unexpected destination and to open a resisting heart to the glories of true love.

**Say You Love Me** Her parents' death has left Kelsey Langton penniless and responsible for the well-being of her younger sister, Jean. Kelsey knows that the only way to avert their doom is to allow herself to be sold at auction. Resigned to becoming the plaything of a well-heeled gentleman, she gets more than she bargained for. Lord Derek Malory is the highest bidder—a dashing rakehell from a family of charming London rogues. Enthralled by the lovely young woman with shining eyes and dark hair, he purchases her to be his mistress, unaware of the true worth of his prize. He never imagined that this woman he so frivolously acquired would be blessed with all the attributes he was looking for in a wife—grace, wit, intelligence as well as beauty. He certainly never expected to fall in love.

## Customer Reviews

Excellent in every way! I enjoyed each CD and wished for more! Great CD's to add to my growing

collection of Audio CD's~ Love this writers ability to bring her character to life! Amazing and I highly recommend these CD's to all who enjoy a great book from a great writer!

I am giving this a good review based on what my mom said which was that she enjoyed-not exactly my cup of tea but I do enjoy the fact that this type of book pops up on my email recommended list constantly...

Michael Page was the reader for both stories and he did a great job with the English and Scottish accents! Both stories were fun and it made being on my elliptical so much easier. If you like English romance stories then you will like these sweet tales.

Lindsey never fails to satisfy. Able to create great characters, good plot lines, and quick witty dialogue. Stories are light-hearted without being frivolous.
