Customer Reviews

We picked up four of the Hermie Scripture Memory CDs and they are a big hit with my 3 year old and 4 year old. They are quickly learning lots of Scriptures and so am I! One thing that I really appreciate is the variety of instruments and styles that they have employed, and their melodies are catchy and not trite like a lot of children's music. There are fast songs, slow songs, jazz songs, country songs, rocky songs, letting the children experience a variety of musical styles. The children who sing have sweet, tender voices. And the second half of the CDs (with certain words muted) really encourage kids to fill in the blanks with their own singing. I've been amazed at how well they are learning Scriptures while just passively listening to these CDs at home and in the car. The only

drawback I see in these CDs is that the Scripture references are not included in the lyrics of the songs. They are, however, introduced before each song.

We own several different series of Scripture memory CDs (including Seeds Family Worship and Steve Green's Hide 'Em In Your Heart CDs) -- and the Hermie & Wormie CDs are equally enjoyable, if not moreso. My boys (ages 4 and 6) love the songs and sing them everywhere we go! They enjoy this CD in particular, which contains verses about being brave -- which they just recited for me, in order, from memory -- You are my hiding place, You protect me from my troubles! love You, Lord, You are my strength Give all your worries to Him, because He cares for you God is our protection and our strength When I am afraid, I will trust You I am the Lord your God...and I tell you don't be afraid, I will help you Praise the Lord, He heard my prayer for help God has said, I will never leave you, I will never forget you The Lord is my Shepherd I go to bed and sleep in peace, for only You keep me safe

We got this for a 16 hour long road trip. We thought it might help our girls memorize some scriptures. It is wonderful. They remember the scriptures and now so do I:) The best is later in the cd they sing the songs without some of the words to test to see if you really remember. The songs are cute and catchy. I thought it might be annoying but it turned out to be something our whole family enjoyed!
