Japanese Picture Dictionary (Kids Picture Dictionary)

Synopsis

Developed by a team of language experts and educators, these fun dictionaries for children ages 4-9 are a goldmine of more than 1,000 colorfully illustrated words. Features: * Essential words for young language learners. * Learn colors, shapes, numbers, family members and animals. * Every word is accompanied by a translation, a simple sentence and a colorful picture. * A conversation section includes simple phrases and sentences used during a meal and when meeting and greeting people. * Special pages introduce such kid-friendly themes as clothing, insects and toys.

Book Information

Publisher: Berlitz Publishing; 1 Pap/Com edition (July 15, 2008)

Language: English

ISBN-10: 9812684360

ISBN-13: 978-9812684363

Product Dimensions: 8.5 x 0.4 x 9.8 inches

Shipping Weight: 1.1 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (6 customer reviews)

Best Sellers Rank: #1,525,854 in Books (See Top 100 in Books) #60 in [Books > Children's Books > Education & Reference > Foreign Language Learning > Japanese](#) #10896 in [Books > Reference > Dictionaries & Thesauruses > Foreign Language Dictionaries & Thesauruses](#) #18562 in [Books > Reference > Foreign Language Study & Reference](#)

Age Range: 4 - 8 years

Grade Level: Preschool and up

Customer Reviews

I bought this book for my daughter, who wants to learn Japanese, because I have the same book in French and the pictures are adorable and the book is just for fun--it's not exactly a textbook for learning the language. This Japanese version is also quite cute, fun illustrations and easy to read. The problem with the book, however, is the publishers obviously did not bother to find a Japanese editor to review it before it went to publication! There are grammatical and syntax errors all over the place. How do I know? My mother is Japanese, and she couldn't stop laughing! One sentence that is supposed to translate into "My grandmother likes to bake" actually says, "My grandmother likes to burn things." And other sentences are just plain silly. When would one ever need to say, "The goat

is standing on the top of the island"? Now when we need a good laugh, we reach for this book.

I got this book for my son (along with a few others) as he wants to learn Japanese. Looking through it with him is a fun activity. The hiragana line up with the English sounds we read. The words are used in a sentence so one can get used to the grammar as well. The images help gel the sentence with the hiragana. There is even a glossary of words in the back in English with a few simple phrases one would need if visiting Japan. It is more for young kids but adults would get some benefit from it. I know I would have liked it and found it useful in college when I went and lived in Japan for a few months.

Colorful and accurate translations. Appreciated the categorical organizing which made my themed lesson-planning faster. Very helpful for me, when I taught English in a Japanese kindergarten.
