Customer Reviews

I absolutely love this cd! The meditations are soothing, uplifting, and inspiring, and Sandy has the most wonderful voice for the meditation script, which is just perfect. The music is lovely and blissful, too. This is for healing the mind and spirit, as well as the body. I've been listening to the general meditation every morning when I get up and the individual meditations for each chakra, strung together into a longer meditation, later in the day. So glad I got this!

Fantastic I use it every day
