# Burning Godzilla Unleashed (Minecraft Monsters Series Book 5)

## Synopsis

Part #5 Of Minecraft Monsters Series Burning Godzilla-The Creature Of Legend Revealed for the First Time! To Avoid Spoilers, please read this | Part 1: Awakening Of The Mobzilla: Mobzilla vs. Steve and Herobrine Part 2: Guardians Of Minecraft: Rise Of The Guardians: Steve vs. Guardians Part 3: Dawn Of The Wither King: Wither King vs. Herobrine Part 4: Legend Of Nether Dragon

It awoke, and opened first one eye, and then the other "both eyes were red, like burning cinders. A child could have stretched her arms out as far as she could reach to either side of her body, and not been able to reach either side of one of those enormous, burning eyes, if she stood directly before the slitted, reptilian pupil in the center. There was a tremor, like a small earthquake, as the creature pulled itself slowly up and out of the layers of soil that had grown over its body. Flames licked through cracks in the dried earth, emerging from the spaces between the creature's scales, as the Burning Godzilla towered to its full height of more than one hundred and twenty yards. The flames that burned the shroud of dirt off of its body were a deep red color. They looked unnatural, like something that belonged in the Nether-dimension. They looked hot, and angry, and the creature too looked angry, as it opened its fanged, gaping jaws, and exhaled a blast of burning hot air mixed with sparks and cinders.
