Full Bloom (Full Series)
Dear listener,

The temperature’s on “sizzle” again in Beaumont, South Carolina, where peach trees are in season and ripe for the picking. So is its newest entrepreneur, Annie Fortenberry, who has inherited her grandmother’s B&B (and its eccentric handyman Erdle Thorney). According to a local psychic she also inherited a spirit from its glory days as a brothel—not the kind of publicity the Peach Tree Bed & Breakfast needs if it’s hosting millionaire Max Holt’s upcoming wedding! If rumors of a naughty, prank-playing ghost aren’t stressful enough, a mysterious man has arrived with an eye on Annie and her master suite. Wes Bridges is all leather and denim, sporting a two-day beard, straddling a Harley, and sending the B&B’s testosterone level through the roof. Annie’s cool demeanor may be dropping as fast as Wes’s jeans, but leave it to her missing ex-husband to dampen the passion! Turns out someone has done him in, and all evidence points to Annie! Wrapped up in a murder plot, Annie must find the killer, save her own neck, and get back to where she was—all wrapped up in Wes’s strong loving arms! We guarantee that you’re going to have as much fun listening to Full Bloom as we had writing it! (Even if we were surprised by the ending!) And you won’t want to miss the hair-raising shenanigans when Fleas, the hound dog, meets the most cantankerous, snooty, bad-tempered, twenty-two-pound orange cat! Janet & Charlotte

In the little town of Beaumont, South Carolina things are not as "sleepy" as one would think. An extravagant and secret wedding is being carefully and lovingly planned at a local B&B. Everything seems to be going along when a boarder, Destiny reveals that there is a ghost with a secret residing in the B&B. An unexpected boarder posing as a photographer begins to stir things up, and Annie, the owner of the B&B falls for the secretive boarder but what is he really doing in Beaumont?? Annie’s missing husband also turns up under very unusual circumstances and accusations begin to fly. What is the secret boarder investigating? What does the ghost know? What are the circumstances behind Annie’s husband disappearing? Is someone in the quaint town of Beaumont capable of plotting a murder?? Throw in a cast of characters from a caretaker with a drinking problem, a friend who cares a little too deeply, the euthanasia prone veterinarian, and a scruffy looking dog named Fleas, just to highlight a few..............what you wind up with is a quirky, entertaining tale that is quick paced, funny and a lot of fun to read.

Now this is a book I could sink my teeth in to. A romance-Mystery-Comedy that I really enjoyed reading. As usual Janet Evanovich has done it again. Written something that is true brilliance. Hope to see her on the top of the New York Times bestsellers soon! Also read in same genre: Fire In The Ice by Katlyn Stewart and Good in Bed by Jennifer Weiner

If you want a hard core, hard boiled murder mystery this is not the book for you. If you want a light-hearted, book that will cause you to laugh out loud in place, read this book as well as others in this series. I was not impressed with the first books, but they did improve as they proceeded. Branching out into other characters that interact and populate Jamie/Max’s town of Beaumont has improved the books greatly. The wedding of the century as well.

In Beaumont, South Carolina, Annie Fortenberry is trying to prepare her historical mansion turned B&B into a wedding reception for her best friend Jamie Swift and millionaire Max Holt. Her handyman Erdle Torney who came with the place she inherited from her grandmother has failed to do his job so she loses her temper and goes after him with a rolling pin. Visitor Wes Bridges gets in the way and is knocked out. A gardener borrowed from her neighbor finds human skeletal remains in an isolated area where foliage has grown. The victim is Annie’s spouse Charles who allegedly ran away several years ago. In fact, Wes is a private investigator working for Charles’ mother to prove that Annie lost her temper and harmed her son. As the police suspect Annie as the killer, Wes believes she is innocent, but wonders if that is because he really likes her when she is not holding a
rolling pin. This amusing romantic who-done-it has the audience laughing from the moment Wes finds out how insane the Peach B&B is that is after he awakens from a bonking and swallowing a horse tranquilizer given by a retired vet. The story line gets even zanier, but never loses focus on the murder investigation handled by the cops and Wes separately. FULL BLOOM is a strong comedic romantic mystery that readers will want more plums from Janet Evanovich and Charlotte Hughes. Harriet Klausner.

The authors kept my interest with the frolicking escapades of Annie, Wes, Destiny, Doc, and company, in the anticipation of a somewhat thought-out, acceptable conclusion. Not so. At the climax of the story, when the reader would expect the characters to "grow up" and the story to come together, it just goes from insane to ridiculous. Extremely disappointing. Would not recommend this book at all. It is outrageous slapstick, without the humor.

This is a great book. It is definitely a fun to read. It keeps you in suspense to the very end. It is a humorous mystery story with a twist or two. I would highly recommend this book. As usual this is another great book by a great author.

Twist and turns, sexy and wonderful....a bit naughty and oh so nice. You will love this book from the moment you crack it open. I haven't read the other books, but I will now! Also recommended: Fire In The Ice by Katlyn Stewart.

I love Janet Evanovich, so I pretty much like anything she writes. This story is quite interesting...keeps you entertained and turning the pages. I like the whole Full series...not as good as Stephanie Plum, but still pretty darn good. If you are a Janet Evanovich fan, you will surely like this book.
