Iliad & Odyssey
Synopsis

[Translation by W.H.D. Rouse] [Read by Anthony Heald] Homer's Iliad and Odyssey are unquestionably two of the greatest epic masterpieces in Western literature. Though more than 2,700 years old, their stories of brave heroics, capricious gods, and towering human emotions are vividly timeless. The Iliad can justly be called the world's greatest war epic. The terrible and long-drawn-out siege of Troy remains one of the classic campaigns, the heroism and treachery of its combatants unmatched in song and story. Driven by fierce passions and loyalties, men and gods battle to a devastating conclusion. The Odyssey chronicles the many trials and adventures Odysseus must pass through on his long journey home from the Trojan wars to his beloved wife, Penelope. Though the stormy god of the ocean has sworn vengeance against him, and witches and sirens try to lure him off course, Odysseus is clever and has the brilliant goddess Athena on his side.

Book Information

Audio CD
Publisher: Blackstone Audio, Inc.; Unabridged edition (October 1, 2008)
Language: English
ISBN-10: 1433248824

Customer Reviews

With many books, translations are negligible, with two obvious exceptions, one is the Bible, and surprisingly the other is The Iliad. Each translation can give a different insight and feel to the story. Everyone will have a favorite. I have several. For example: "Rage--Godress, sing the rage of Peleus' son Achilles, Murderous, doomed, that cost the Achaeans countless losses, hurling down to the House of Death so many souls, great fighters' souls. But made their bodies carrion, feasts for dogs and birds, and the will of Zeus was moving towards its end. Begin, Muse, when the two first broke and clashed, Agamemnon lord of men and brilliant Achilles." - Translated by Robert Fagles, 1990. "Sing, O Goddess, the anger of Achilles, son of Peleus, that brought countless ills upon the
Achaeans. Many a brave soul did it send hurrying down to Hades, and many a heroes did it yield a prey to dogs and vultures for so were the counsels of Zeus fulfilled from the day on which the son of Atreus, king of men, and great Achilles first fell out with one another. Translated by Samuel Butler, 1888

Rage: Sing, Goddess, Achilles' rage, Black and murderous, that cost the Greeks incalculable pain pitched countless souls of heroes into Hades dark, and let their bodies rot as feasts for dogs and birds, as Zeus' will was done. Begin with the clash between Agamemnon "The Greek Warlord" and godlike Achilles.
